Attn: G.D. Hardin

Dear Mr. Hardin:

I am in receipt of your letter dated December 16, 1985 in which you requested a 30 day extension for the accumulation of hazardous wastes on site. It is understood that the reason for the request is due to problems in scheduling, holidays and weather conditions, the disposal facility that incinerates your waste, LWD at Calvert City, Kentucky cannot accept your waste for disposal before early January, 1986, and that you will exceed the 90 day limitation on December 18, 1985.

Pursuant to Section 722.134(b) of 35 Ill. Adm. Code, Subtitle G: Waste Disposal, I am hereby granting you an extension of time, not to exceed 30 days from December 18, 1985 for the accumulation of hazardous waste.

Upon proper disposal of this waste, I am requesting that you forward to me a photocopy of the completed manifest(s).

Your interest and concern in this matter are appreciated. If we can be of further assistance, please feel free to contact this office.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
